CATALANO®

# programmaZERO

ZERO è la prima grande famiglia di sanitari realizzata dalla Catalano, i cui prodotti derivano da un concept innovativo: la poliedricità tipologica, la possibilità cioè di essere installati sospesi, in appoggio e a semincasso. Il programma è oggi composto da due gruppi morfologicamente omogenei: i Sistemi ZERO, ZEROdomino, ZEROkono con Wc e Bidet, caratterizzati da matrici geometriche regolari ed i Sistemi ZERO+, ZEROlight con Wc e Bidet in cui è evidente il riferimento a matrici ellittiche. Il Programma prevede accessori specifici per i diversi lavabi, tra cui portasciugamani in ottone cromato, cassetti e strutture in alluminio.

ZERO is the first wide family of sanitary-ware designed by Catalano where the items are marked by an innovative content: the typological versatility; in fact, the washbasins can be installed wall-hung, resting on a work top and semi-fitted. The program is made up of two groups, clustered by their shape: ZERO, ZEROdomino, ZEROkono and ZERO Wcs and Bidets are bases on geometric regular matrixes while ZERO+, ZEROlight, ZERO Wcs and Bidets + and Light, are clearly marked by an elliptical matrix. The Program also includes dedicated fittings, such us chrome-brass towel-rails, drawers and aluminium structures.

ZERO ist das erste grosse Sanitärkeramik-System von Catalano, dessen Produkte einem innovativen Konzept entspringen: das Besondere ist der Variationsreichtum in der Anbringung der Produkte; diese können als Wand-, Aufsatz-, oder Einbauwaschtische installiert werden. Das Programm besteht mittlerweile aus zwei homogenen Gruppen: i Sistemi ZERO, ZEROdomino, ZEROkono und ZERO WC/Bidet, deren Grundformen durch klare Geometrien geprägt sind und Sistemi ZERO+, ZERO WC/Bidet und i Light, deren Eigenschaften auf einer Ellypse basieren. Einige Waschtische können zusätzlich durch passende Accessoires wie Handtuchhalter aus verchromtem Messing, Schubfächer und Unterbaustrukturen aus Aluminium ergänzt werden.
