Per garantire una maggiore stabilità si consiglia di fissare con tasselli il corpo incasso al piano di appoggio.

To guarantee maximum stability, it is advised to use a rawlplug to fix the built-in casing to the supporting surface.

Pour assurer une plus grande stabilité, nous vous conseillons de fixer le corps encastrable au plan d'appui avec une cheville.

Um eine maximale Stabilität zu garantieren, wird es geraten, mittels eines kleinen Blocks das Einbauehäuse an die Tragfläche zu befestigen.

Para garantizar una mayor estabilidad, se recomienda fijar el cuerpo para empotrar al plan de apoyo con la clavija.
