**Copyright Notice:**

Sanitary and heating systems from Viega are recognized branded products: product quality with system warranty.

Furthermore, liability agreements have been concluded with the ZVSHK (Zentralverband Sanitär Heizung Klima) and the BTGA (Bundesindustrieverband Technische Gebäudeausrüstung e. V.) for Viega branded products. Exceptions: brass threaded fittings and brass tap extensions. The selection of raw materials for high product standards, modern production, the use of auxiliary equipment as well as packaging occurs with due care and attention to reasonable economic and ecological principles. In doing so, Viega products are well known among architects, planners, wholesale traders and specialist companies involved in building services technology. Sales of Viega products are traditionally completed via wholesale specialists.

The Viega quality management system is certified in accordance with DIN EN ISO 9001.

The illustrations and details in this document are not binding. We reserve all rights for technical amendments. All details concerning materials refer to the parts which come into contact with water. All measurements specify mm. PU = packaging units.

References on the viega.com website to "Viega", depending on the particular context, refer either to the Viega corporate group, comprising Viega GmbH & Co. KG as well as their direct or indirect subsidiaries, or to the Viega brand. The individual companies of the Viega group are separate and independent legal entities and as such act independently. "Viega" is therefore not necessarily to be interpreted as a reference to a specific company of the Viega group.
