Sanitary and heating systems from Viega are recognized branded products: product quality with system warranty.

Furthermore, liability agreements have been concluded with the ZVSHK (Zentralverband Sanitär Heizung Klima) and the BTGA (Bundesindustrieverband Technische Gebäudeausrüstung e. V.) for Viega branded products. Exceptions: brass threaded fittings and brass tap extensions. The selection of raw materials for high product standards, modern production, the use of auxiliary equipment as well as packaging occurs with due care and attention to reasonable economic and ecological principles. In doing so, Viega products are well known among architects, planners, wholesale traders and specialist companies involved in building services technology. Sales of Viega products are traditionally completed via wholesale specialists.

The Viega quality management system is certified in accordance with DIN EN ISO 9001.

The illustrations and details in this document are not binding. We reserve all rights for technical amendments. All details concerning materials refer to the parts which come into contact with water. All measurements specify mm. PU = packaging units.
